

I guess I started collecting records the day I first noticed the covers on some of the albums.

No thank you—I'm just listening around.

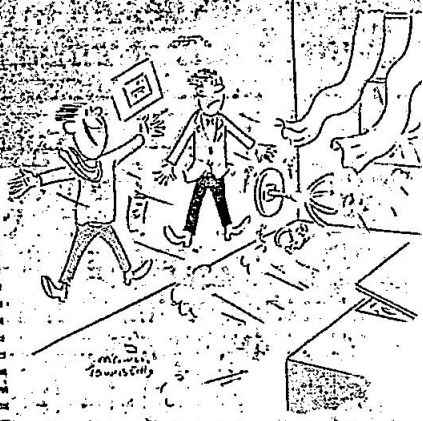

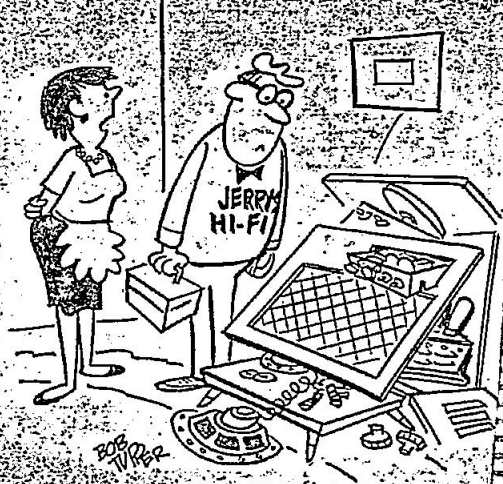

DECEMBER 1960

A Few Winning Words on Hi-Fi

From BOB TUPPER

It's one of those Make-It-Yourself records from your mother.

"How about that? Twenty-six woofers, fourteen tweeters, and 1250 watts!"

All right, Harry, let's hear this great speaker you've been telling me about.

and this device will eliminate your flutter and WOW!

"My wire wrap gun went out of control."

"They don't need to be connected to anything — they're not test probes, they're acupuncture needles."
