

**Roulette Wheel (April 1995):** The PCB overlay diagram on page 50 was again printed incorrectly, with the component outline information missing. As before, the diagram is hopefully reproduced correctly on the facing page.

Note - the LED GND wire is next to the flat edge

OPTIONAL ON/OFF SWITCH  
(7-7654) MOUNTED ON PCB  
(STRAP A-B IF SWITCH  
NOT USED)
